experience

Cineplex Digital Media

Motion Artist

October 2014 - present

Job: Producing and animating creative content for Tim Hortons' in-store digital screens across Canada, the US, the Persian Gulf and the TimsTV Network. I have also built animated promotional material for A&W, Chick-fil-A, and Citizens Bank.

Lightyear Media

Motion Graphic Designer

May 2014 - October 2014

Job: Creating advertisements for the G-Tron in Times Square, New York, as well as creating mockup advertisements to pitch to potential clients. A large portion of the job also focused on photo manipulation.

education

Western University + Fanshawe College

Media Theory and Production:

Interactive Media and Production

2010-2014

4 year collaborative program (3 year bachelor's degree, 2 year diploma)

who am I?

I'm Heather!

I am a motion designer, graphic designer, video editor, whatever you need me to be!

I can create beautiful and effective designs for any medium. My education, work experience, and life experiences give me a well-rounded perspective and a wide variety of skills to bring to the table.
